

Report on 3rd Industry Academia Forum on 31st July at Vivanta by Taj,Coimbatore.

Discovery Education Media is a unique organization that offers exclusive magazines on education reforms and highlights.They create public awareness through news portals and also play a major role in unbiased rankings of institutions.They bridge the academicians and Industrialists through conferences across India.

On 31st July DEM organized a conference on 'Industry-Academia Forum' with an aim to create an ecosystem for Industry-Academia Dialogue leading to Alliances and Joint initiatives on preparing the future leaders.

DR.B.Sendilkumar ,Dean-FAHS was invited as a speaker and he had delivered his speech on the topic "Unveiling the industry view about future skill sets and Technology requirements",which discussed,deliberated,exchanged and explored the ways to improve the skill sets of students based on future developments and demands in the industry.

Some of the other eminent speakers were Mr.Palanivel Packrisamy,Executive Secretary,EPSI;Mr.Aspire K Swaminathan,Founder,CEO,Aspire Ventures and Prof.M.J.Xavier,Chairperson MDC,Loyola Institute of Business Administration.

The other sessions were on 'Mapping changes happening in the Global Economy and Identifying oppurtunities' , and 'Deliberations on Innovations and creativity in Campus Placement Ecosystem' by very eminent speakers from Academics and industrial sectors.

This forum deliberated on the dynamic changes the industries are witnessing and the way the educational institutions should handle these changes by gearing up with innovative ways of imparting knowledge.

Dean-FAHS
