REPORT ON INDUSTRIAL VISIT
TATA MEMORIAL HOSPITAL, MUMBAI

School of Allied Health Sciences, Salem, Vinayaka Mission's Research Foundation organized an Industrial visit for students.

Students of Medical lab Technology were taken to an Industrial visit to the **Tata Memorial Hospital in Mumbai on 28th December 2019**. Tata Memorial Centre is amongst the oldest and largest cancer centers in the world, with over 75 years of exceptional patient care, high-quality training and innovative cancer research. Over the years, it has grown in size and stature, maintaining its pre-eminent position at the forefront of national and global cancer control efforts.

This Industrial visit paved way for the students to improve their knowledge and skills. Students found it very interesting and informative since they were able to relate learnt theory to the practical.

About this visit, Director **Dr.B.Sendilkumar** said, "The main focus of the programme is to help the students gain knowledge about new technologies. This trip will also be helpful for them to find placement opportunities in such hospitals".

The Programme was well organized by **Mr. Muthuraj, IPR Activity Coordinator**, School of Allied Health Sciences, Salem, VMRF.
