World Sight Day 2019 - Report

World Sight Day is to focus global attention on prevention of blindness and visual impairments. This day was established by WHO in collaboration with international Agency for the prevention of Blindness as the main advocacy event for raising awareness about eye care. It is celebrated on October 2nd Thursday every year and this year's theme has been chosen as "Vision First".

Based on this theme School of Allied Health Sciences, Salem, Vinayaka Mission's Research Foundation carried out an Eye care awareness programme on 23rd October 2019 at New bus stand, Salem. This programme was inaugurated by Dean Dr.B.Sendilkumar and Dr.K.Meenakshi Sundaram, MD, VIMS.

The student volunteers created awareness by performing drama, dance, mime & villupattu. Around 200 School of Allied Health Sciences students, Teaching faculties & Non Teaching faculties are participated in this programme.

The plug cards with slogan are carried by our students. The pamphlets were given by students for better reach among the public to create awareness.

The whole arrangements were well organized by Mrs.Tamilchudar, Dr.Parthiban, Dr.Harishraj, Ms.Priyadharshini, Ms.Valarmathi and Mr.Senthilnathan, SAHS.
