“Excellence in Initiatives Taken for Industry – Academia Synergy”

Award Report

Discovery Education Media is a unique organization that offers exclusive magazines on education reforms and highlights. They create public awareness through news portals and also play a major role in unbiased rankings of institutions. They bridge the academicians and Industrialists through conferences across India.

Vishwabodhi Foundation is a not-for profit organisation formed with the objective of enhancing the employability of the youth, connect the entry-level job-seekers to the job providers and form a link between the Academia & Industry to ensure a strong two-way connection between theory and actual practice.

Amma Kalviyagam is a pioneering initiative in line with Hon'ble AMMA's dream to empower the youth of Tamil Nadu through Education, Employment and Entrepreneurship. It's aim to ensure that the opportunity to learn from the best teachers is provided to everyone, everywhere. With the advent of the economic revolution and development, the world has adopted and adapted to new ways of learning. Online learning is the new driving force in education. In this fast-paced world one must be equipped with the necessary skills in order for them to sustain in the rat race. At the moment, only a select few have the privilege to acquire these skills. Students in Urban areas have the opportunity to go to pay and learn from the best institutes/teachers while the rural people or even the poorer ones in the city aren't provided with that opportunity. The mission is to construct bridges between learners and educators thereby breaking the barriers of time, distance & money.

Amma Kalviyagam, DEM & Vishvabodhi Foundation jointly organized “4th Industry – Academia Forum ” on 18th Dec 2019 at Chennai .This forum would deliberate and interact on the dynamic changes the industry is witnessing and educational institutions should handle these changes by gearing up with innovative ways of imparting knowledge. Followed this forum, they organized a award function on 6th January 2020.Dean Dr.B.Sendilkumar invited as a special guest and delivered a special talk.

At the end of the programme SAHS, VMRF was awarded as a “Excellence in Initiatives taken for Industry – Academia Synergy”.
