### **Brief Report on Online “Author Workshop” on “Fundamentals of Research Article Writing” – Aug 19, 2021 @ 10:00 AM –**

Vinayaka Mission's Kirupananda Variyar Engineering College Salem organised an **Author Workshop** on **“Fundamentals of Research Article Writing” on 19<sup>th</sup> Aug, 2021 at 10:00 AM. Mr. Vishal Gupta** who is a Senior Customer Consultant, Level 3 Certified Mendeley Trainer, Elsevier, South Asia was invited as the resource person of the workshop.

The workshop commenced at 10.00 AM with welcome address by Dr. S Venkatesan, Prof. Mechanical Engineering and Research Coordinator of the Institution. Dr. R Sasikumar, Principal - Vinayaka Mission's Kirupananda Variyar Engineering College Salem presented presidential address and described about the importance of the workshop with its relevance to the present scenario where research has become an integral part of an academician especially in Higher Education Institutions and expectations of the society from a faculty of engineering and technology. Dr. Sanjay Singh, Prof. Mechanical Engineering presented a brief introduction about the resource person to all participants and handed over the session to the resource person for the “Author Workshop”.

Mr. Vishal Gupta, resource person of the “Author Workshop” presented a detailed methodology adopted by Elsevier for indexing Journals and rankings of the journals under four quartiles Q1, Q2, Q3 and Q4. He explained Scopus profile of the Institution with achievements and further progress need to be done to improve ranking in various platforms. He described in detail about the Open Access and Green Open Access Journals and the procedure followed by editors after receiving the paper, peer review process and then publishing in a journal. The resource person also explained on points which generally an author overlooks and does not pay attention towards them leading to rejection of the paper from the desk of editor itself. He also explained about ethics to be followed strictly before submitting paper to the journal and suggested faculty members to submit proposals for books also in Elsevier apart from submitting papers to the journals. He suggested tools to be used for finding the related journals with several filtering criteria suiting to the author. At the end of the workshop, participants clarified their doubts.

The workshop which was highly informative especially for the researcher community concluded with high appreciation and thanks to the resource person and all participants by Dr. S Venkatesan.
