

AARUPADAI VEEDU MEDICAL COLLEGE & HOSPITAL

WORKSHOP on RESEARCH METHODOLOGY-2019

**Organised by
Department of Community Medicine**

(In association with IRC & IQAC)

**Venue: Medical Education Unit
23.10.2019 to 25.11.2019**

Department of Community Medicine organised the research methodology workshop for the first year MD/MS post graduate students, which was Co-ordinated by Dr.J. Arun Daniel, Assistant Professor of Community Medicine (Coordinator-Research Methodology Workshop) at Medical Education Unit, AVMC&H, Puducherry from 23.10.2019 to 25.10.2019.

A total of 36 first year MD/MS postgraduates of various departments of Aarupadai Veedu Medical College & Hospital, Puducherry participated in the workshop. Dr. B.Vijayakumar, Professor, Community Medicine delivered the welcome address and our beloved Dean Dr. Ramachandra Reddy delivered the Presidential address. At the workshop, various topics related to research starting from how to select a research topic to biostatistics were discussed in detail by the resource persons. Each session was followed by Hand-on-training. All the postgraduates actively participated in the workshop. Dr. Sethumadhavan, HOD, Microbiology & Dr. Sivaraj, HOD, Pharmacology, were the chief guests for the valedictory function and distributed certificates to the participants and resource persons.

Dr.N.Nishanthini, Assistant Professor of Community Medicine thanked the Management, Dean, MS, all faculties, and supporting staffs for making the workshop a successful one.

RESEARCH METHODOLOGY WORKSHOP (23.10.19 TO 25.10.19)
