DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

SKILL DEVELOPMENT PROGRAM ON “SMART P&ID”

A Five Days Skill Development Program on “**Smart P&ID**” was organized from 20th to 24th March 2023 by Department of Electrical and Electronics Engineering in association with Vi Micro System Pvt Ltd , NM Technocrafts (Channel partner of Siemens) & Institution of Engineers India.

The program started with a Welcome address Mr.S.Prakash,AP(Gr-II)/EEE. The Presidential address was delivered by Dr.L.Chitra, HoD/ EEE. The session was taken over by the Dr.Sanjay from NM Technocrafts .

Day - 1: 20/03/2023

The event was successfully started on 20/03/2023 .The resource person Dr.Sanjay from NM Technocrafts took over the session by giving the introduction about the COMOS software and started explaining about the events at industries ,Use of this software in industries, the role of future engineers in industries etc. An Industrial scenario was taken as a sample like “IDLY BATTER” process plant and they started explaining how the process plant works ,what are the key components , The process flow diagrams ,block diagrams, Process plant phases etc. It was such an informative and interactive session for students which provides the over view of the event.

Day - 2: 21/03/2023

The second day session started with welcome note and Dr.Sanjay from NM Technocrafts took the session and started explaining about the components used in the industries ,their specifications etc. It was a continuation of day 1 session. On that session the resource person had an interaction with students by asking question, answering the question raised by the students regarding the process plant. The more and more interaction by the student and staff made the session more interesting.

Day - 3: 22/03/2023

On 3rd day, the main concept of the event was taken by Mr. Sagar juglani, Technical head from NM Technocrafts the session about the COMOS software .The basics of the software like logins, basic tools , access for the software and more stuffs related to software was discussed. Mr. Mahendra Gelatar, Operational manager explained about the software usage and demonstrated it.

While demonstrating the software a lot of discussion and interaction was made between the students and the resource person and that day ends well.

Day - 4: 23/03/2023

On 4th day, hands on session was started by Mahendra Gelatar, Operational manager and the new workspace was provided by the team from NM Technocrafts. Using the workspace students logged in and understands their instruction. The resource person had allotted the P&I diagrams for each and every student to work on their own. An informative session was done on the day.

Day - 5: 24/03/2023

On 5th day students started to practicing the diagrams. After lots of discussions the students started working on the software on their own and most of them felt the software was so interesting .Finally students were successfully completed the diagrams and got the overview about the software.

The session was formally concluded with a vote of thanks by Mr.S.Prakash, AP-(Gr-II)/EEE.

Session on “Resume Building”- 16.09.2022

REPORT

The Department of Training and Placement organized a session on “Resume Building” on 16.09.2022. The resource person Mr. Syed Mohamed- Head- ICTS, VMRF (DU) gave an informative session to build up a resume for the upcoming interviews. About 96 students from the final year attended and got benefited through this session. The session was very useful for the students to build and develop their resume for the companies accordingly.
