Ms. Ankita Sukhwai
CSR Executive
Unicharm India

Ms. Ankita Sukhwai, Executive CSR has been a part of Unicharm India for almost 5 years where she is handling the program implementation on menstrual health and management. As a core team member of the CSR team her role involves training and development, managing relationship with internal and external stakeholders and responsible for implementing CSR strategy of the group pan-India. She holds an experience of conducting more than 600 community training with adolescent girls and women on menstrual health and management. She brings an experience of working with some of the international not-for-profit as community mobilizer on health issues. On her academic background, she holds a Master degree in Social Work with specialization in Child and Women Welfare.

WOMEN EMPOWERMENT COMMITTEE

PROGRAM ON

“MENSTRUAL HEALTH AND HYGIENE”

Women Empowerment Committee, Vinayaka Mission's Sankarachariyar Dental College, organized awareness program titled “**Menstrual Health and Hygiene**” at **Founder's Hall** through online mode on **30.06.2022** (Thursday).

The **guest speaker** for the program was **Ms. Ankita Sukhwai, Executive CSR from Unicharm, India.**

The program was organized for the **first and second BDS students** of Vinayaka Mission's Sankarachariyar Dental College, Salem

The program started with introduction by **Prof. Dr. R. Madhumala**, Department of Periodontics and Member Secretary, Women Empowerment Committee followed by lecture on menstrual health and hygiene by the guest speaker.

The program was organised by the women empowerment committee members **Dr.K.Priya Deepa Lakshmi**, Associate Professor, Department of Public Health Dentistry and **Dr.T.B.Meenalochani**, Assistant Professor, Department of Periodontics VMSDC, Salem.

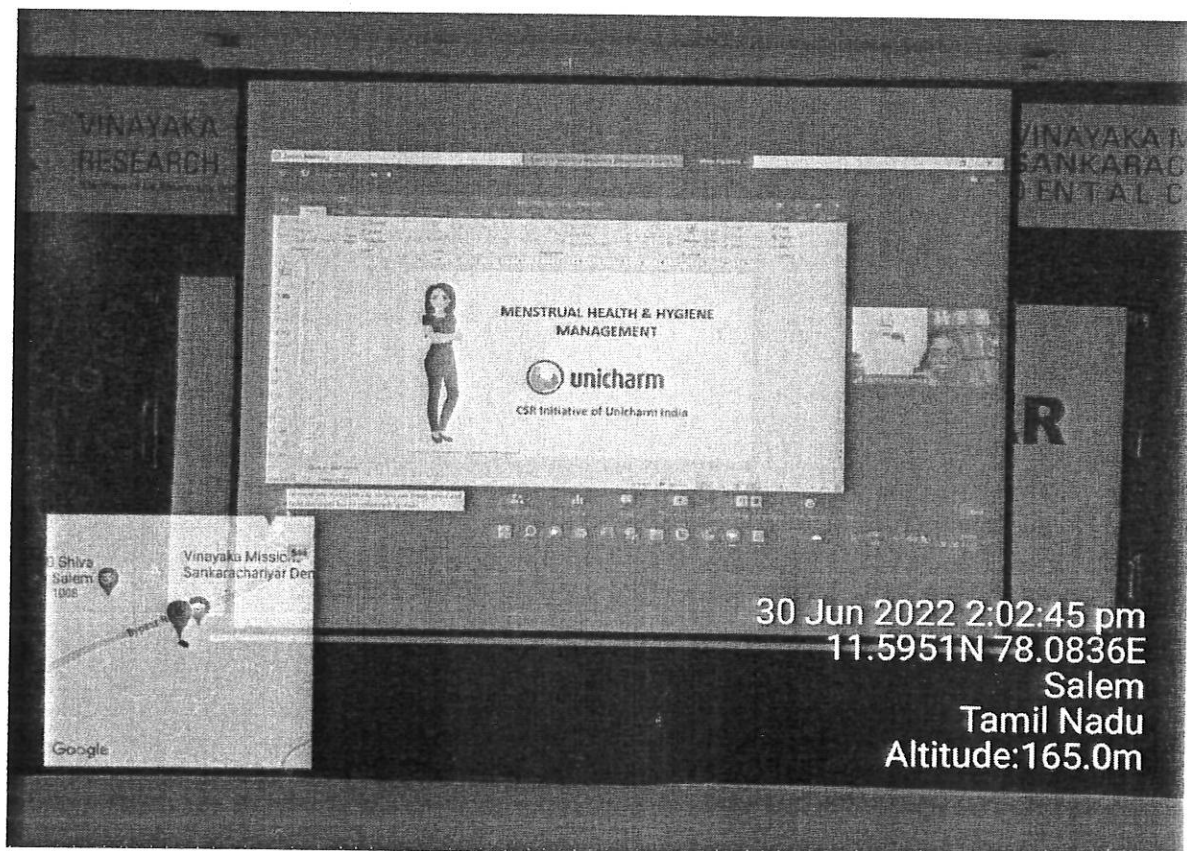

A total of 105 students attended the program.

3M Invites you to a **1** day comprehensive workshop on **Partial Bonded Restorations**

by
Dr. Manikya Arbolu

Date:

27th Jan 2023

Time:

9:00 am - 12:00 pm

Venue:

**Vinayaka Missions Sankarachariyar
Dental College**

Agenda

Partial bonded restorations

Every root canal treated tooth has been traditionally treated with a full coverage crown till recently. But today, we have the option of restoring teeth with minimally invasive restorations like onlays and overlays. These conservative options ensure that tooth structure is preserved well and in turn ensures that the longevity of the tooth is maintained. This is possible with resin based bonding of the restoration to the tooth. So let's get together on this session to learn how to prep the teeth to receive these restorations.

Demonstration on

- 1) Preparation for an onlay
- 2) Temporization
- 3) Cementation protocols with resin cements
- 4) Impression techniques for onlays

PROFESSOR & HOD,
Dept. of Conservative Dentistry & Endodontics
